

Okay, so these are the two couples we hung out with in Aruba.  
Check out the attachment...the pics are hilarious. We went out one night to  
Carlos and Charlies (actually we went there every night) with these two  
couples and we took this mini car!  
Enjoy!

Glad you guys made it back...and had fun! Here are the classic Alto  
photos. She was a great car.  
How was the big day back at work...I hope not too painful! You guys take  
care!  
Enjoy the photos!=====End of original message text=====
